

Key element: EYPP: Newburn Manor Nursery School

September - December 2021 - 11 children so we expect to receive £1,100 in autumn term (see separate target sheet for children's individual targets)

EYPP to be used to	How we will do this	How this will improve achievement and narrow the gap	Amount allocated	Who will be responsible	IMPACT
AUTUMN					
Provide support in each child's particular area of need at levels that are appropriate developmentally for each individual – based on baseline observations and ongoing progress	Deploy additional staff to support children during Autumn Term (a)	Additional staff will support, settle and help complete baseline assessments of children to identify main areas of need for future interventions/activities. Information will support focused learning and play plans for each child	£484.00	Teachers Support Staff	
Provide additional sessions so children have more time in Nursery, funded by school	Additional Free Sessions for children who qualify for EYPP in Autumn Term (b) – as soon as they are identified and funded via EYPP grant	Additional resources and targeted time will ensure that EYPP meet their end of year targets and make at least typical progress.	£616.00	Teachers/support staff work with named children. All staff aware of targets and child's specific area of needs	
Total for autumn term:			£1,100		

95% of the EYPP children make at least typical progress in these areas and aspects	Staffing costs to provide targeted small group/1:1 sessions on a daily basis. Attending small group sessions – specific days. Staff Training. Resources – books, story sacks, puppets.	Discussed amongst staff teams and put in place for specific children	Monitoring of progress and next steps needed by key worker and class teacher.		
Total funding available					

We also plan to speak to the parents of each child who qualifies for EYPP to seek their suggestions of targets to focus on.

*See also specific plans for each individual child linked to areas of needs.
